The Conspirators, High and Low,  
Should Be Brought To Speedy  
Justice.

Frankfort, Ky., Feb. 28.—A joint session was held today with 19 senators and 59 representatives present. The Republicans refused to attend. Geo. V. Green was elected Prison Commissioner, receiving every vote cast.

In the senate chamber six Republican senators held a rump session and attempted to confirm a number of nominations sent in by Mr. Taylor and rejected by the Senate yesterday.

The regular Senate then proceeded with business, the following nominations by Gov. Beckham being confirmed:

Commissioners for state, A. and M. College; McDougell Ferguson, Paducah; B. W. Bradburn, Bowling Green; H. S. Barker, Louisville; William Nelson, Covington; John F. Hager, Ashland.

For Western Insane Asylum—J. B. Walker, Hopkinsville; J. T. Hanbery, Hopkinsville; R. W. Ware, Hopkinsville.

Acting Private Secretary Joe D. Felix presented a message from the Governor reporting that he had approved senate resolution for the purchase of State Manuals. In the House the session was taken up with a five hours fight on the Reward bill. It was finally passed after numerous substitutes had been defeated.

### Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
